Confirmation regarding compliance with Directive (EU) 2024/825 of the European Parliament and of the Council ("EmpCo Directive")

Dear Sir or Madam,

We refer to your request regarding compliance of our products with Directive (EU) 2024/825 of the European Parliament and of the Council on empowering consumers for the green transition (the "EmpCo Directive") and its applicable implementing rules across the European Union (together, the "EmpCo Requirements").

We take our compliance obligations very seriously and are committed to placing compliant products on the market.

We are pleased to confirm that our products have been designed to meet the EmpCo Requirements ahead of their application date of 27 September 2026, and that we are proactively applying the strictest interpretation criteria set out in the EmpCo Directive across our product range.

This confirmation is based on the legal framework applicable across the European Union and the information available to us as of the date of this letter, and is subject to ongoing legal developments, regulatory guidance, and interpretations by competent authorities in the relevant Member States.

This letter does not constitute an independent guarantee, warranty, assumption of strict liability, or acceptance of liability beyond the mandatory statutory provisions.

Yours faithfully,
